### Patrols 2008/2009

Our 80th season of patrols is fast approaching. This year's season kicks off on Saturday 27th September 2008 and finishes on Monday 27th April 2009.

Our plan is to produce a patrol roster for the first few weeks of the season only. This will be published by the end of August 2008.

### Patrol Survey

To be completed by all active members, active reserve (and long service if they so desire).

Please supply your completed survey form to our "Club Captain" Richard Pembroke.

### Duck Stuff

The 2008 IRB Season finished on a high note for Caves Beach SLSC when our IRB team took out their 6<sup>th</sup> successive NSW Champion IRB Club crown at the NSW IRB Championships at Towradgi Beach on the South Coast. Team members snared 4 Gold, 3 Silver and 5 Bronze medals from the 16 events establishing Caves Beach as NSW premier IRB Club once again and one of the most successful IRB clubs in the history of IRB racing in NSW.

The team would like to thank our sponsors Sandvik, Mercury Marine, Neptune Wetsuits, Dynamic Propulsion, Siteworx and Cobia Boats as well as all the

Medallists were as follows:

In other news:

- Caves Beach IRB team would like to congratulate team members Elisha and Phil Angel who are expecting a baby later this year (who by the way has already won a NSW IRB Championship medal) as well as Jade Ellis and Brett and also Craig Boettcher and Kelly who are doing likewise – maybe it's the cold water ???. Congrats also to Nicola Henari and Damo on their engagement.
- Hunter SLS has expressed interest in training IRB personnel from Caves Beach in their Jet Ski Certificate with a view to placing a jet ski at Caves Beach. This interest from Hunter Branch is testament to the quality of our personnel and an honour to Caves Beach – lets hope all progresses well

Last but not least, as you may be aware, Caves Beach IRB team compete from March to July each season along the East Coast of Australia and are amongst the top 5 teams in the country, indeed Caves are the current NSW champion club (and have been since 2001) and are

also the current World IRB Champions.

Whilst this team of 22 members are at the peak of their success, we are currently planning our next season and endeavoring to ensure the longevity of Caves Beach success in the national IRB arena. With this in mind, we are searching club ranks for potential future competitors to take up the challenge and carry the clubs name to further success.

Unlike other arenas of competition, there are both award and experience pre-requisites that need to be met before any member can be entered in competition that often involve attaining certain qualifications many months before being able to compete. We are currently looking for members (male and female) particularly under the age of 21 who may even remotely be interested in becoming part of this exciting sport.

If you think you are one of these people and are interested in being part of Caves Beach IRB Team in 2009, call Scott Bryant (IRB Captain) on 0413 745335.

Yours in surf
