## Leading News & Announcements

### Patrol Rosters

Patrol rosters have been posted to the Patrol page of the website. December and January patrol rosters are included at the end of the newsletter.

### Club Management Structure

All members please note that at the next General Management meeting in December a motion will be placed before the meeting to vary the club management structure as approved at our last AGM.

The background to the motion is a requirement set by SLSNSW is that if the Chief Instructor was not a

member of the club executive then another member of the executive apart from the President, needed to be present at all activities organized by the Chief Instructor.

The motion is that "The Lifesaving Education Manager/Chief Instructor (Alicia Jacques) be included as a member of the Executive".

### Board Captain Report

Starting board training early this year has certainly been of some benefit to those children who have persisted in cold windy miserable conditions at Blacksmiths Beach and Caves Beach over the past couple of months.

Our Juniors have had some impressive results at the recent

carnivals at Fingal Bay, Kracka, Swansea Belmont and Merewether, especially our U/10's and U/12's in the Board Relays. Results of carnivals are posted on the Surf Club Notice Board.

A special mention goes to those kids who participated in The Kracka Carnival on Saturday 12<sup>th</sup> November at Swansea Belmont to represent our club. This race is a hard endurance Iron Person and a big effort goes to those kids who competed for the first time in this event.

Congratulations to Daniel Osborne, Shaun Osborne, Camille Kelly, Keegan Walker, Georgia

McConville, Liam Kleyn, James McMorland, Justin McMorland, Matthew McDonald and Aaron Jones. Well Done Kids!!!!

Getting a great start and being out in front first is a major advantage when competing in a board event and it is just as important with a strong finish and knowing when to get off your board before sprinting straight up to the finish line especially when having to battle with the shore dumps which were experience by some very disheartened nippers kids at the recent carnivals which cost them a place and even a medal. In the build up to Branch and State we will be concentrating on our starts and finishes at training hoping to give the kids more confidence and plenty of practice.

For those kids who wish to attend Board Training, training times are on Wednesday afternoons at Blacksmiths with Joe Ham at 4.00pm and Thursday afternoons at Caves Beach at 4.30pm and Saturday mornings at 8.00am (except when carnivals are on) with Ian. Any parents who wish to get involved with water safety would be greatly appreciated as it is the kids who benefit.

In closing the more we practice the better we get.

Ian McMorland  
Board Captain

## Surf Boat Crew of the Century

Surf Boat Crew of the Century. Some great news was received about our club and in particular the surf boat section. Our 1970 Open Men's surf boat crew has been named by Hunter Surf Life Saving as the "SURF BOAT CREW OF THE CENTURY". This means that this particular boat crew is the "GREATEST" surf boat crew in the entire history of Newcastle Surf Life Saving and beyond. This is truly a magnificent honor. More details will follow next newsletter as we reveal the great men that comprise this legendary surf boat crew.

## Investment Seminar

Independent Investments and the Independence group held the first in a series of Investment Seminars at the Club in November. The seminar attracted approximately 70 people from all over Newcastle and Lake Macquarie in addition to a number of club members. Speakers covered a number of topics including real estate investment, property investment and long term cash investments and superannuation.

Independence Investments is a major sponsor of the club. They have donated over \$16,000 in the last two years. The Director

### Swansea RSL raffle

Every Thursday night Caves Beach SLSC has a raffle at Swansea RSL. Swansea RSL has been a fantastic

long time supporter of Caves Beach SLSC.

Apart from their donation each year they allow us to conduct one of our major fundraisers, our raffle, on their premises.

For this raffle to be successful we require people to assist, the more volunteers, the more evenly spread the workload.

The raffle goes from 5:30pm till about 6:30pm.

## Charity Golf Day

The Caves Beach Surf Life Saving Club Charity Golf day will held at Belmont Golf Course on the 11th of December at 8am for a 9:30am start. The event will be an ambrose event with a shotgun start. The cost will be \$50 per person and will include the round of golf, complimentary BBQ and three complimentary drinks.

Registration and payment can be made online by clicking on the following link [Register & Pay Online](#) or by registering at Caves Hotel or Swansea Hotel or by contacting Brendan on 0437 864 816.

We would also like to put out a call to all past and potential sponsors to support the golf day by sponsoring a hole and/or supplying prizes (either small items we can use for golfers or perhaps larger items to raffle or auction on the day), or any other support that they can come up with.

We will also be on the lookout for people to assist on the day with BBQ's etc, so any help in that regard from non-participants would be greatly appreciated.

Please contact Brendan on 0437 864 816 re the golf day, or [bcurran@internode.on.net](mailto:bcurran@internode.on.net) Sponsors should contact Darryl Hadfield on 0409 180 931 or [sponsors@cavesslsc.com.au](mailto:sponsors@cavesslsc.com.au)
