New Surf Boat for Caves Beach SLSC

Surf Boat crews will be leading the way on the water with a new surf boat this summer due to the generosity of two major sponsors.

Cardiff engineering company Waratah Engineering and Newcastle based Independence Investments have combined resources to provide our club with the new surf craft valued at \$27000

Boat Captain, Brett Main said "The new surfboat will cater for ages from 16 years to 74 years and will be used by up to 50 of our members weekly. We have a proud tradition

in surf boat racing and are still the biggest surfboat club in the Hunter Region.

With the support of Waratah Engineering and Independence Investments the new boat will be an integral part of the clubs competitive team this summer.

The surf boat is scheduled to be launched late September.

Calendar of Events September and October

A draft calendar of events for September and October are attached to the end of the newsletter and have also been placed on the website in the Calendar page. Please check for updates on the website.

GYM News

The gym key has now been changed to the new lock for the 2006-2007 season. This means that you will be required to hand your old key in and purchase a new one.

It is important that all non-used keys are returned to the club in order to ensure the security of our premises and maintain our key register. Remember returning your key entitles you to a \$10.00 refund if not renewing your membership to the gym. If you renew your membership your next key is at a discounted price.

The cost is \$40 for the period up until 31.5.07. This fee includes a \$10 deposit for the key. Your training and access times are 24 hours a day, 7 days a week for this period, Not bad value!

More members means more funds for the gym. And that equates to more and more new equipment. This is open to all members both from the senior club and the JAC who are financial members of the club.

The new equipment that has been purchased for the gym over the last 3 years has equated to many thousands of dollars mostly coming from gym key sales and some excellent support from the executive committee.

Swansea RSL raffle

Every Thursday night Caves Beach SLSC has a raffle at Swansea RSL. Swansea RSL has been a fantastic long time supporter of Caves Beach SLSC.

year they allow us to conduct one of our major fundraisers, our raffle, on their premises.

For this raffle to be successful we require people to assist, the more volunteers, the more evenly spread the workload.

The raffle goes from 5:30pm till about 6:30pm.

Apart from their donation each
