New Major Sponsorships Announced

Caves is set for a great start to the 2006/2007 season with the announcement of several new major sponsorships for the club.

Club sponsors Waratah Engineering and Independence Investments have joined forces to provide funding for a new club surfboat. This is a timely sponsorship with the numbers of surfboat rowers within the club now at a record level.

Waratah Engineering is not new to surfboat sponsorship with the company also contributing to the "Stuart Chalmers" boat that is in service at present. Operations Manager of Waratah Mark Jones, himself a former still water rower is happy to support the opportunities we are able to give our younger members to be part of a popular and spectacular surf sport.

Joining with Waratah in the purchase of the new boat is Independence Investments. Director of independence Investments Garry Lunn has fulfilled a long time ambition of having an Independence investments surf boat on the water and no doubt will be keen to take his place in the boat on it's maiden voyage! The club would also like to thank John McCallister of Independence Investments for his support in this sponsorship venture.

We would also like to welcome the team at Dowlings Real Estate Swansea as a major sponsor of our junior club activities. Tony Rich and Shanti Page of Dowlings are keen to support our 250 plus juniors and their families within our club. Not only is Shanti our sponsor but also a devoted club member and "Nipper" mum. To Tony and Shanti a big thankyou from our junior activities committee for your support in 2006/2007.

Our club would not function without this generous support so please support these businesses wherever you can.

Already mentioned elsewhere in this newsletter is our Sportspersons Luncheon supported by Raffertys on Lake Macquarie another of our major club sponsorship fundraisers. Please support the day and thankyou to Raffertys Resort for their contribution.

We will also be working to finalise sponsorship packages for all our current sponsors ready for the upcoming season.

2007 has been dedicated as the "Year of the Surf Lifesaver", if you have any sponsorship enquiries supporting this great community volunteer organisation please contact Darryl Hadfield on 0409 180 931.

Swansea RSL Club Raffle

Every Thursday night Caves Beach SLSC has a raffle at Swansea RSL. Swansea RSL has been a fantastic long time supporter of Caves Beach SLSC. Apart from their donation each year they allow us to conduct one of our major fundraisers, our raffle, on their premises. For this raffle to be successful we require people to assist, the more volunteers, the more evenly spread the workload. A roster is set up for all sections of the club (see following page). However please feel free to assist whenever possible. The raffle goes from 5-30pm till approximately 6-30pm.

RSL Raffle Roster:

Surfboat section -First Thursday of every month.

The order after this is: **IRB, Ski, Board, Swim, JAC, Executive**

Sectional Captains will need to coordinate their section on their rostered week.

On Saturday 10th of September 2006 there will be a bowls charity day for the surf club. This is the 2nd annual "DICK HOOEY" Surf Club Charity Day. This will commence at 9am sharp. We would like at least 6 members of our club to participate in this event along with some experienced bowlers to join a 24 person strong team to represent Caves Beach SLSC against other surf clubs.
