From the desk of the JAM Man

A big congratulation to our very own **Super Mac's** James and Justin who competed in the Forster carnival last week they done both their Club and themselves proud.(a full rap up in carnival news) Pool Proficiency are a pre-requisist for all Nippers , as are Beach swims for all kids wishing to compete in carnivals .The beach swim days this year will be Thursday afternoon before board training and Saturday morning before board training.

See Ya In The Surf !!!!!!!

Positions Vacant

Update on the officals course we now have the numbers to run our own course I'm Just waiting on Branch to get back to me with a Date.

Carnival News

Well we had our first 3 (**only**) Nipper Representatives - James & Justin McMorand and Dylan Jones attend the Forster Long weekend Carnival recently with outstanding results. On Saturday Justin won the U/10 endurance ironman and his brother James came second in the U/13 endurance ironman. On Sunday James & Justin both came 1st in the overall point score closely followed behind by team mate Dylan Jones - what a great effort. Unfortunately Georgia McConville being our 4th representative - broke her arm just days prior to the event.

James who was selected for the High Performance Team for the Hunter Branch then headed to Queensland to battle it out against the High Performance Queensland Team which he dominated in all events. After our Hunter Team proved to be unbeatable, James then competed at the Salts Surf Carnival at Salts with outstanding results - He came 1st U/13 individual Swim, 2nd U/13 Individual Board, 3rd U/13 Ironman & U/13 Sprints.
